Dear Bob,

On behalf of the Iowa County Board and the County Administrator Recruitment Committee, we want to express our appreciation for the high quality business services provided between October 2009 and February 2010 as together we engaged in the recruitment of a county administrator. You, Eric Kuznacic, and Matt Riley did an outstanding job of collaborating with the committee and meeting the agreed upon deadlines.

An excellent pool of applicants was created through multiple postings and communication. The screening process involved videoconferences with 11 applicants following development of questions that targeted on specific issues of the position. This process allowed committee members to meet applicants via technology and assess their strengths and potential fit without travel to an agreed upon location. Identifying five candidates for a final interview meant challenging logistics and you did this with skill and insight. A contract was effectively negotiated with the preferred candidate based on committee decisions.

As a team, you listened, you coached, and you acted. The three of you were a great team to work with and we are more than willing to serve as a reference when you prepare a proposal for similar projects in the future.

Sincerely,

Mark Masters
